

place and run west on quarter section line $33\frac{3}{4}$ rods to bank of creek witness trees Poplar 10 in. $144^{\circ} 8\frac{1}{2}$ links, Black Walnut forked East fork 6 in. South 10 links. I then began at North half mile post Section 9 and run South vari. three degrees East 40.00 chain and staked, and it was agreed to adjourn until a more leisure time. Adjournment was made without day. The foregoing is a true statement of the survey I made

Geo. B. Rader M. C. S.

July the 6th 1892 Met pursuant to notice published three weeks in the Bloomington Telephone and made a survey in section 13, Town 10 North Range ^{two} ~~one~~ west for John Caves and others joined reestablished the South half mile post of section 13 witness trees Elm 14 in $18\frac{1}{2}^{\circ} W$ 1.00 links Dist. B. Walnut 6 in $166^{\circ} W$ 1.01 " "

The foregoing is a true statement of corners established Geo. B. Rader M. C. S. N. B. Lest or mislaid the names of the assistants in the above survey Steve Ellet was one chainman sworn

Surveyors Notice.

Notice is hereby given to all non-residents and all others interested that I will proceed on Wednesday, the 6th day of July, together with the County Surveyor of Monroe county Indiana, or his deputy, to run all the lines and establish all the corners necessary to determine the boundary lines of the land of S. C. Cavaness in section thirteen, town 10, North range or West. Meet at the residence of S. C. Cavaness at 8 o'clock p. m. of said day. Be present at said time and place and bear a part in same, or said survey will proceed in your absence. S. C. CAVANESS,

June 11, 1892.

June the 30th 1892
